

Dear Mr. Lilienheim,

I want to thank you very, very much for coming in and talking to my class. It was very interesting, and exciting to here your story. I would also like to tell you that you did a wonderful job speaking. I would also like to thank your wife for coming in and I say "hi" to all of you. I was honored to meet you and I hope that your next visit to Elm Place is soon. Thank you very much once again.

Sincerely,
Michael Pena
