Dear Irene,

Thank you for sending us the manuscript THE AFTERMATH by Henry Lillienheim as well as a copy of your film DARK LULLABIES.

With regard to your request to have Steven Spielberg endorse THE AFTERMATH, I regret to inform you that Steven cannot give such an endorsement. Steven receives many such requests and since there is no way to fill them all, and since all are equally meritorious, he has taken the stance that he cannot endorse any.

On a more personal note, I read your father's manuscript. I found it to be a beautiful and gracious telling of what must have been an incomprehensibly difficult time. How proud you must be of him for having the courage and strength to tell his story.

I would like to make you aware of a new program that is being sponsored by Steven and Amblin. Steven has started a foundation called SURVIVORS OF THE SHOAH. This is going to be an enormous video archive of survivors telling their stories. It is being done in conjunction with the Weisenthal Center, Yad Vashem and with the Holocaust Museum in Washington D.C. For more information please call 1-800-661-2092.

Thank you again for submitting your film and your father's manuscript.

Best regards,
