Dear Irene,

I'm long overdue to thank you and Abbey for sending us (me!) the videos on your films, "Song for Tibet" and "Entre Solitudes / Between the Solitudes." Your lovely note accompanying them was much appreciated.

Dayle Rakowsky, who runs the Edward Bronfman Family Foundation, and I just last week finally purchased a TV and VCR for our office. We have a whole "slew" of films to watch, including your two. So I'll get back to you and Abbey after we've finally had the opportunity to view them.

Sheila Zittler in Montreal sent me the front page of the Gazette of April 19th showing a photo of you at a Côte St Luc synagogue in connection with the Holocaust remembrance day.

I do hope you and Abbey are in good health these days. Best of luck and every possible success with all your fine work.

Sincerely,
Edward
