

Josh Freed was show's narrator

A story in *The Gazette* of Nov. 25 incorrectly identified Josh Freed and Abbey Neidik as the producers of a TV documentary, *Between the Solitudes/Entre Solitudes*. In addition, Neidik's name was misspelled

as Nidik. In fact, as broadcasting columnist Mike Boone had made clear earlier, Freed was the narrator and Neidik was the director. The producer was Irene Angelico.

The Gazette regrets the errors.
