Dear Irene:

What can I say that hasn't already been said to you. Your film is a true masterpiece. It approaches our most devastating period in history with such dignity. I was very moved the first time I saw *Dark Lullabies* and seeing it again only enhanced those emotions.

I was especially delighted to have the opportunity to get to know you a bit. You are as impressive as your film! Thank you for making the Canada-Israel Cultural Foundation's evening at Harbourfront so very special. I know it will be remembered by all who attended.

Lily Barr wanted me to mention that she was most serious when she suggested that you call her regarding anything she can do to help promote your film. She has many contacts and could certainly be of assistance. Her home telephone number is 486-0565, and you can always reach her through the Canada-Israel Cultural Foundation Toronto office.

Once again thank you for your very special participation.

Warmest regards,

Hedy Frisch
