Dear Irene:

It's been a long time since we saw each other in Toronto but the memory of the special evening at Harbourfront is still vivid in my mind.

I am sending you photographs of a pottery sculpture made by a woman I know who was so impressed when she saw Dark Lullabies that upon touching a chunk of clay, she could only remember the face of the woman liberated from Bergen Belsen in your movie. Sandra calls it the Silent Scream and I thought you might like to write to her. Her address is: Sandra Shubs, 46 Parkhill Road, Toronto, Ontario, M6C 3N1.

I recently read that your film got special mention in a survey of Canadian movies. Have you heard from Hannah? I really miss not having her in Toronto. Please let me know whether you are doing anything new. Could it be of interest to our organization?

Hope to hear from you soon.

Sincerely,
Lily Barr
