Dear Anne,

I want to thank you very much for your personal invitation to Marlene and I for your screening of "Dark Sullaby's". Unfortunately Marlene just couldn't get off work that night, so I accompanied my Mom.

We were honored to have seats just behind your Mom & Dad. I didn't get a chance to talk with them since I had to dart home right after your discussion to relieve our babysitter.

I must say, I was very touched by your film. Your relentless search for answers was very moving. Knowing you and your family as I do made it that much more touching and real.

I do hope and pray that this film will accomplish some of your dreams for peaceful understanding between people.

Love, Darryl
