

MIND  
High School

Dear Ms. Wientken - Angelica  
On behalf of the students  
who attended your  
seminar, last Wednesday  
I would like to  
thank you.

I found both your  
film and your discussion  
enlightening. Due to  
seeing your film, I  
became aware of what  
actually happened  
during the Holocaust.  
It became much more  
real for me after seeing  
your film and listening  
to you.

Once again, thank  
you, very much for coming.  
Sincerely,  
Carolyn Lock
