

Dear Irene and Abbey,

Now that we've all taken a collective sigh of relief, we want to Thank You both for allowing us the honor of introducing your film to the United States.

We appreciate your enthusiasm, cooperation and good will. The film was everything we hoped for and more. We are still getting positive feedback from our friends and supporters.

Looking forward to seeing your next production. Please keep us in mind.
Warm regards Elaine Meyerowitz

A VERY
SPECIAL

thanks

TO YOU
