Dear Lydia and Henry

From the bottom of our hearts
we thank you for the most
meaningful gift, Trees interdicta.
We watched it with love and
pride and certainly sharing
your "wishes" of your prodigious
daughter. Beautiful Trees she
is giving immortality to all
our beloved martyrs.

We will speak to our rabbi,
perhaps the synagogue can obtain
the film, or if it is in a cassette
we will certainly buy it.

Thank you again.

all our love and best wishes
to your beautiful family.

Esther and Joel.
