Dear Irene,

Time, as they say,  
relentlessly pushes on. Here  
it is, almost December.  
I wanted you to know  
that your film really  
made an impact on  
many people. I was very  
gratified by the number  
of people who made a  
point of coming up and  
discussing it with me.  
The parents of the grade

eight and nine classes  
said their children were  
very moved by it.

I am including a copy  
of a poem, written by  
Archie Rotenberg, a Temple  
member, who saw the  
movie and was inspired  
to write down his  
feelings.

I hope all is well  
with you and George  
and I would like to  
wish you and Ahly lots  
of happiness.

Sincerely,  
Paulette
